

BASIC MEDICAL SCIENCES GRADUATE PROGRAM
CORE CURRICULUM - ROTATION PLAN

Student

Rotations are required in the Spring semester of the first year. Rotations are to be scheduled for non-overlapping 5-week blocks. Students are responsible for interviewing faculty and submitting a rotation plan to the Graduate Office prior to the beginning of the Spring semester. Student will enroll for 3 cr Interdisciplinary Directed Studies (IDL 594) or 1 cr for each rotation.

Students wishing to add rotations to the Fall semester of the first year should petition the Director of the Graduate Program during Fall registration.

A minimum of two different rotations are required. Three different rotations are strongly encouraged. Rotations need not be within the same department.
