AHIMA Personal Health Record Practice Council. 2006. Helping Consumers Select PHRs: Questions and Considerations for Navigating an Emerging Market. *J AHIMA* 77 (10): 50-56.

Keywords: Personal Health Record/PHR/Records

Abstract: HIM professionals can help consumers evaluate the multiplying choices in personal health records and select the one that's best for them.

AMIA, and AHIMA. 2007. The Value of Personal Health Records: A Joint Position Statement for Consumers of Health Care. *J AHIMA* 78 (4): 22-24.

Keywords: Personal Health Record/Records/Health Care/Management/Medical/Medical Informatics/PHR

Abstract: The American Health Information Management Association (AHIMA) and the American Medical Informatics Association (AMIA) advocate empowering individuals to manage their healthcare through the use of a personal health record (PHR).

- Blobel B, and Pharow P. 2005. Patient Data to Go: Germany's National Smart Card Project.". *J AHIMA* 76 (2): 48-51.
Keywords: Germany/Personal Health Record/PHR
Abstract: Smart cards help keep consumers and their health data in the same place. In Germany, a national project enters the test phase.
- Burrington-Brown J, and Friedman B. 2005. Educating the Public about Personal Health Records. *J AHIMA* 76 (9): 94-95.
Keywords: Personal Health Record/PHR/Records/Professional Practice/education
Abstract: This Professional Practice Solutions column discusses AHIMA's Community Education Campaign for personal health records.
- Burrington-Brown J. 2005. The PHR Effect. *J AHIMA* 76 (2): 58-59.
Keywords: Personal Health Record/PHR
Abstract: This "e-HIM Fundamentals" column gives a brief overview of Connecting for Health's report "Connecting Americans to Their Healthcare"
- , 2005. The Power of Patient Access. *J AHIMA* 76 (5): 58-59.
Keywords: Personal Health Record/PHR/Medical/Patients
Abstract: This "Professional Practice Solutions" column looks at the results of two recent studies that indicate that patient access to medical information boosts satisfaction and empowers patients to take greater control of their healthcare.
- Campbell RJ. 2005. Getting to the Good Information: PHRs and Consumer Health Information. *J AHIMA* 76 (10): 46-49.
Keywords: Personal Health Record/PHR
Abstract: Linking PHRs and provider Web sites can connect consumers to relevant and reliable health information online. HIM professionals can help.
- Cronin C. 2006. Personal Health Records: an Overview of What is Available to the Public.
Keywords: Personal Health Record/Records/PHR
Abstract: This study was undertaken in order to learn what types of PHRs were available to U.S. consumers. 24 PHRs were reviewed between April and November of 2005.
- Fahrenholz C, and Buck S. 2007. PHRs and Physician Practices. *J AHIMA* 78 (4): 71-78.
Keywords: Personal Health Record/PHR/Patients
Abstract: This practice brief outlines the issues physician practices encounter as patients increasingly utilize PHRs, and explores the decisions physician practices must make as they develop policies and procedures to support patients.
- Fox L. 2004. Health Record Paradigm Shift: Consumer Health Informatics Status in the United States. Paper presented at IFHRO Congress, AHIMA Convention.
Keywords: Personal Health Record/PHR/EHR
Abstract: This paper addresses a PHR vision and its potential for improving quality, safety, cost, and convenience of healthcare; current progress in implementing EHRs, integral to creating PHRs; and consumer needs that will create a new role for HIM professionals.
- Friedman B. 2005. Health Records Get Personal: A Technology Outlook for Consumer Access to Personal Health Information. *J AHIMA* 76 (1): 42-45.
Keywords: Personal Health Record/PHR/Records/Technology
Abstract: From banking to travel, consumers manage a variety of personal records

online. Now providers are experimenting with several ways to give consumers more control over their health records.

- Goethals C. 2005. HIM Service with a Smile. *J AHIMA* 76 (10): 54.
Keywords: Personal Health Record/PHR/Records
Abstract: As HIM professionals, we encourage consumers to maintain personal health records. Are we ready to help them do it? Here's a quick refresher on good customer service in the HIM department.
- Hagland M. 2001. Getting More Personal. *J AHIMA* 72 (8): 32-36.
Keywords: Personal Health Record/PHR
- 2000. Online Consumer Health Records: Revolution or Confusion? *J AHIMA* 71 (3): 28-32.
Keywords: Personal Health Record/PHR/Records
- 2005. Patient to Partner: Will PHRs Change the Physician-Patient Relationship? ". *J AHIMA* 76 (10): 38-40.
Keywords: Personal Health Record/PHR
Abstract: The personal health record represents more than a consumer-managed health history. It's a new way to see the consumer's role in healthcare.
- Harris Interactive. 2004. Two in Five Adults Keep Personal or Family Health Records and Almost Everybody Thinks This is a Good Idea .
Keywords: Adult/Family/Personal Health Record/PHR/Records
Abstract: Results of a nationwide survey by Harris Interactive(R) of 2,242 adults who were surveyed online between July 12 and 18, 2004.
- Heubusch K. 2007. PHRs for the Masses? *J AHIMA* 78 (4): 34-36.
Keywords: Personal Health Record/PHR
Abstract: Consumers say they are interested in PHRs, but will they use them?
- 2007. Piecing together the PHR. *J AHIMA* 78 (4): 28-32.
Keywords: Personal Health Record/PHR
Abstract: What health information is most useful to consumers? That's a question only consumers can answer, one by one.
- Jacobs EB. 2005. Practice Toolkit: Occupational Health. *J AHIMA* 76 (8): 63-65.
Keywords: Personal Health Record/PHR
Abstract: This Practice Toolkit column describes how combining the PHR with effective wellness programs can result in a greater opportunity to reduce healthcare costs, gain the support of corporate America, and accelerate consumer awareness and adoption of the PHR.
- 2007. The HIM Role in the PHR: Patient-centered Care through Patient-centered Information. *J AHIMA* 78 (4): 38.
Keywords: Personal Health Record/PHR
Abstract: Consumers say they are interested in PHRs, but will they use them?
- Kanaan S, and Lansky D. 2005. NCVHS Hearings on Personal Health Record. Connecting for Health/Markle Foundation.
Keywords: Personal Health Record/PHR/Records
Abstract: Connecting for Health presentation at the January 2005 NCVHS hearings on personal health records.

- Kloss L. 2005. Greater Urgency, Sharper Focus for PHRs. *J AHIMA* 76 (10): 27.
 Keywords: Personal Health Record/PHR
 Abstract: Inside look from AHIMA's Executive Vice President/CEO
- 2007. Personal Health Information: Reframing the Dialogue. *J AHIMA* 78 (4): 27.
 Keywords: Personal Health Record/PHR
 Abstract: Inside look from AHIMA's Executive Vice President/CEO
- Mon DT. 2005. PHR and EHR: What's the Difference? Records Differ in Span and Legality. *J AHIMA* 76 (10): 60-61.
 Keywords: EHR/Personal Health Record/PHR/Records
 Abstract: This "e-HIM Fundamentals" column answers some of the questions surrounding how the personal health record interacts with an electronic health record.
- 2004. Standards Harmony: Establishing Common Standards Is Key to the Success of the NHII. *J AHIMA* 75 (6): 50-51.
 Keywords: NHIN/Personal Health Record/PHR/standards/EHR
 Abstract: The various NHII, EHR, and PHR initiatives are headed in the right direction. Standards for data content and data definition, as well as harmonization across these initiatives, are the necessary next steps to gain their full benefits.
- Morrissey J. 2005. But What Does the Public Think?: For Consumers to Adopt PHRs, They Need Reasons That Hit Home. *J AHIMA* 76 (10): 42-44.
 Keywords: Personal Health Record/PHR
 Abstract: The industry knows why PHRs are good for the public. And the public knows, too. But are the reasons the same?
- Mueller I, Teslow M, and Hallyburton A. 2007. A Public Life: Developing a Consumer Information Role in HIM. *J AHIMA* 78 (4): 40-43.
 Keywords: Personal Health Record/PHR/Patients
 Abstract: A role in consumer health information offers HIM professionals the chance to help patients with advanced information requests.
- National Committee on Vital and Health Statistics. 2006. Personal Health Records and Personal Health Record Systems. U.S. Government.
 Keywords: Personal Health Record/PHR/Records
 Abstract: A report and recommendations from NCVHS
- Odom-Wesley B. 2000. Envisioning the Personal Medical Record. *J AHIMA* 71 (10): 39-45.

 Keywords: Personal Health Record/PHR
- Rode D. 2007. PHRs a Work in Progress. *JAHIMA* 78 (5): 18-20.
 Keywords: Personal Health Record/PHR/Records
 Abstract: This "Word from Washington" column reviews recent developments in the healthcare industry with regard to personal health records.
- Rodriguez M. 2007. Patient-centered Design: the Potential of User-centered Design in Personal Health Records. *J AHIMA* 78 (4): 44-46.

Keywords: Personal Health Record/PHR/Records

Abstract: Engaging consumers in the design and evaluation of personal health records helps develop tools they'll use.

Sembritzki J. 2004. Use and Development of Health Cards in Europe. IFHRO Congress, AHIMA Convention.

Keywords: Personal Health Record/PHR/trends/Europe

Abstract: This paper discusses the history and trends in the use of smart cards in Europe, and the need, as the EC works toward more cooperation and convergence among health systems, to make quality-assured health information available beyond national borders.

Smith C. 2006. Helping Consumers Manage Their PHRs. *J AHIMA* 77 (3): 50-53.

Keywords: Personal Health Record/PHR/Privacy/Security

Abstract: This "In Confidence" column explains how HIM professionals can help consumers by educating them on important privacy and security aspects of PHR maintenance.

Srinivasan A. 2006. Keeping Online Personal Records Private. *J AHIMA* 77 (1): 62-68.

Keywords: Personal Health Record/PHR/Records/Security/Privacy

Abstract: This "In Confidence" column presents key security and privacy considerations and reviews ways to mitigate consumer concerns surrounding web-based PHR systems.

Wolter J, and Friedman B. 2005. Health Records for the People: Touring the Benefits of the Consumer-based Personal Health Record. *J AHIMA* 76 (10): 28-32.

Keywords: Personal Health Record/PHR/Records

Abstract: Consumers who maintain personal records of their health history help bring comprehensive information to the point of care. And they have the potential to be more actively involved in their health.

Wolter J. 2004. PHR in the City: a New HIM Role. Paper presented at AHIMA Convention.

Keywords: Personal Health Record/PHR

Working Group on Policies for Electronic Information Sharing Between Doctors and Patients.

2004. Connecting Americans To Their Healthcare: Final Report.

Keywords: Personal Health Record/PHR/Patients

Abstract: Report from the Working Group on Policies for Electronic Information Sharing Between Doctors and Patients.
